- Land Trust Revision – Ernie

Our original budget plans for LAND Trust funds need to be amended to accommodate the shortfalls in the Title 1 budget and allow us to maintain a high level of support for literacy and math interventions for our students at risk. We are asking for your support on moving money that was originally allocated for library books, general supplies and technology be reallocated to salary/benefits for intervention aides that will serve our students needs directly in the classroom.

“The proposal was presented by Ernie. A motion to accept the proposal was made by Hortencia. Nunila seconded the motion. A roll call vote was taken. 100% present voted in the affirmative (highlighted in green).”

- Review 2017-18 SSAP – Ernie

“Ernie reviewed SSAP submitted to district. Pointed out that it was a watered down version of Title 1 Plan. Highlighted growth goals of 10% increase in Math, 12% increase in Language Arts, and 15% increase in Science SAGE year-end proficiency scores. Outlined plan to achieve this goal. Questions were answered.”
