

I HAVE A DREAM

Cesar Chavez Competition and Gallery Event 2019-2020

Cesar Chavez worked hard for social change to support the rights of migrant farm workers. Like Cesar Chavez, there are many others who fight for social justice. Social justice includes equal access to liberties, civil rights, and opportunities for all.

Theme for 2019

"To make a great dream come true, the first requirement is a great capacity to dream; the second is persistence." Cesar Chavez

This year we honor the lives and achievements of great leaders who dared to dream of a brighter future of tolerance and peace. While we have many reasons to celebrate the diversity and inclusion of today, we can continue to build on this dream through our words, thoughts, and actions.
