### 2021-22 Continual Improvement Plan School Goals (Working Goals)

1. At least 60% of our students in K-6 will achieve their POP (Pathways of Progress) goals, as defined by DIBELs, from BOY to EOY, typical or above typical growth in DIBELs. This goal is continued from the 2020-2021 school year because no grade level achieved this goal.

  - a. Based on the past few years of WIDA ACCESS data, our school identified the Speaking Domain as our weakest scoring area and greatest need for improvement.
