School LAND Trust Plan Amendment Form for Current School Plan 2021-2022:

District: Granite School District

School: Taylorsville High School

Principal: Emme Liddell

Email: eliddell@graniteschools.org

Phone Number: (385) 646-5455

Explanation for Amendment:

Please identify each goal that the proposed amendment will change, with the proposed reallocation of funding and the funding category. If it is a new goal, please state the goal, measurement, and the funding source.

Hourly Aides (with benefits) $96,518.03 remaining balance to contract teachers (with benefits) to pay for two contract substitute teachers $75,000. Our goal is to utilize the money from this account to make sure we have certified substitutes covering classes. On any given day, teachers...
are absent due to illness, professional development, family leave, etc... Without substitute teachers, these minor hiccups could cause major complications: instruction is interrupted, classes are doubled up, and preparation periods are lost. If we don’t need any substitutes for the day, we will use both certified substitutes as academic mentors.

Approval Dates: 02/03/2022
