New Business

-reviewed basic functions and responsibilities of the council; looked ahead to this year's timeline as printed in handbook; watched and distributed via email Granite district council training videos

-reviewed total spending of 2017-2018 plan; discussed current implementation of 2018-2019 plan

-discussed digital citizenship plan: includes white ribbon week hosted by PTA in February

-discussed making parents more aware of the council and its impacts; Steffany Austin volunteered to provide information and be available for discussion at STEAM night on Nov. 14
