- We began preparing the Land Trust plan for the 2018-2019 school year. Suggestions included using funds to increase math and reading proficiency (through hiring aides), technology, the Leader in Me program, opportunities for teacher collaboration, teacher stipends for after school literacy and math programs, and digital literacy.
- Meeting adjourned. Next meeting is Monday, April 9, 2018.

**\*Note: The community council unanimously approved the LAND Trust plan via email correspondence on March 19, 2018.\***
