

Truman Community Council Minutes
Monday, December 2 2019, 4:00 p.m.
Conference Room

In Attendance: Mr. Broderick, Ms. Austin, Molly Upshaw, Karlie Badger, Rebecca Kirton

Approval of November Minutes: unanimous

Business:

SSAP: 2 goals- Literacy and Math

Literacy will be followed by DIBELS and pathways of progress. The goal is set at 70%. The 3-step plan in place is, 1) educators will post, state, & review proficiency in terms parents and students can understand. 2) small groups in classroom. 3) grade levels will collaborate weekly.

Math will be followed by Granite Math Benchmarks (1st-6th). The goal is set at 20%. The 3-step plan in place is, 1) educators will post, state, & review proficiency in terms parents and students can understand. 2) small groups in classroom. 3) grade levels will collaborate weekly.

They also plan to involve parents and community by:

- 1) Providing everything in English and Spanish
- 2) Provide translators when necessary and let parents know of these services.
- 3) Reach out to parents that do not attend SEP conferences.

We will be amending our Trust Land Funds in January. We have been unable to fill 2 math aide positions, 1 library assistant, and 1 reading aide. We will be discussion how to amend these funds to go with goals set for math and literacy. Some suggestions have been to: update chrome books, touchscreens, provide headsets, and mice for all students.

Meeting adjourned

Next meeting: January 6th, 4pm, Conference Room
