

Truman Community Council Minutes
Monday, January 6 2020, 4:00 p.m.
Conference Room

In Attendance: Mr. Broderick, Ms. Austin, Molly Upshaw, Karlie Badger, Rebecca Kirton

Approval of December Minutes: unanimous

Business:

- Pathways for SSAP as measures of success
 - o Literacy
 - o Math
 - o Parent engagement- parent/teacher communications all bilingual
 - Translators at every event & SEP's
 - Increase SEP attendance
 - Baseline 88%- goal 93-95% (count teachers communication with non-attending- parents with a call, email, etc.)
- Amendment to current LAND Trust
 - o Tech department did not approve updating Chromebooks so Community Council will refresh computer lab.
 - Lab cost to replace CPU only, \$20,000- we could refresh part this year and next year for a total of 34 computers. In keeps in line with our student goals, because it will allow students access to the district assessments, software used in differentiation and progress monitoring.
- Amendment to LAND Trust will be drafted this month, reviewed and approved by Community Council members, and then submitted for approval.

Meeting adjourned
