The final 2019-2020 report is due January 2021

Review Land Trust Plan 2019-2020 – we will wait till a later mtg. to review.

2020-2021 Roll over from 2019-2020 \$4,065.80, amount for 2020-2021 \$49,356.80

Unfortunately, by the time we received the amount for 2020-2021. We were not able to use the amount to keep our Social Worker fulltime.

We also need to think of ways to spend money that would normally pay for math and reading aides. Due to low interest in filling positions. We will need to find other ways to use that money. We will be in communication with teachers to see what needs they have in the classroom and how best the money can be spent.
