February 2, 2021 4:00

Attendees: Jared Broderick, Anne Van Hoose, Molly Upshaw, Stacey Lowe, Ellis Rygg, Steffany Austin

Principal's Report: Mr. Broderick and Bonnie from the office had looked over funding to get a better picture of where we are for Trustlands and TTSA. We have spent approximately 48% of our Trustlands budget. If we continued with this pattern, we would have 7,00 dollars left and need to fall below 4500 to reach 10% we can carry over. Some options were discussed on what funds to use to insure paraprofessionals hours through the year. We also discussed funding computer updates which is on the plan.

Miss Austin's Report of Needs: Miss Austin reviewed the teacher need surveys. Teachers reported needing Brain Pop , which is already being looked at by Mrs. Schembri. Anne suggested talking to a junior high teacher at Bennion named Ramsey. We also looked at decodables ad math manipulative needs,

Beginning Next Year's Plan: We discussed wanting to help our school library and keeping paras. Discussed funding deadlines.

Valentines Day: We discussed the COVID requirements for bringing Valentine's. We discussed the need to quarantine them and to have teacher pass them out. There was some parent concern about the kids not being able to do this activity. Mr. Broderick suggested we do a similar thing to Halloween.
