Attendees: Ellis Rygg, Jared Broderick, Lacey Graham, Ashley George, Steffany Austin

Welcome and Review of Minutes from Last Meeting in November by Steffany

Approval of Minutes: Moved by Steffany Austin. Seconded by Stacey

Principal's Report:

1. Caution about texts to members of the council asking for gift cards. It's a scam.
2. The holiday performance will be December 14th at 9:30
3. Parking Lot: Mr. Broderick reported cones are being used to block off the small parking lot on the north side of Truman due to safety concerns. Also cones are been placed so the buses and cars can get through the parking lot. Ashley suggested updating the faded bus zone signs. Stacey suggested someone should instruct parents on parking in the drop off zone.
4. Trustland funds: We had 46,00 at the beginning of the year. We currently have 22,000 which should get us to the end of the year. We have funds available if they don't for paraeducators.
5. Next month the final Trustland report for this year is due.
6. Distance Learning Day: The district is moving to having snow days be distance learning days. Parents asked about Chromebook liability. Steffany expressed concerns about returns of Chromebooks and log in information getting out. Parents suggested incentives for returned work, giving parents choices about Chromebook vs. a work packet, and having k-2 do a packet and 3-5 do Chromebook due to concerns about more than one person in the house. Mr. Broderick said the leadership team will discuss this on Tuesday.
7. Mr. Broderick and Ellis encouraged members to start thinking about next year's Trustland plan. Ellis suggested looking at what other schools are using funds for.

Adjournment: Ellis motioned to end the meeting and Stacey seconded.

Next meeting: Thursday, December 6. All parents Invited
