

Community Council Minutes For 11/11/21

Attendees: Jared Broderick, Steffany Austin, Ellis Rygg (Via Zoom), Lacey Graham, Ashley George

Approval of October Minutes: Steffany went over the minutes from October and made a motion to approve the minutes. Ashley seconded.

District Community Council Report by Ellis Rygg:

Talked about the big picture of focus of students. What do granite school students want to have upon graduation? Hope to have input for future meetings. Next meeting in January.

Remind Members of Individual Responsibilities (Training videos)

Safe Walking Route: Last year's council was looking at 2700 west on the west side. Ashley reported they are doing construction, so it is possible that it is being taken care of. Our crossing guard quit in front of the school due to almost getting hit. We sent a message on Blackboard concerning safety in the school zone to all Truman parents. Concern was brought up by Steffany about drop off area. Potential discussion of blocking off the tiny parking with some cones. Also discussed asking PTA for volunteers to help get parents in the right spot.

Holiday Sing Around: Mr. Broderick reviewed the history of school sing along. We want to do something but need to be cautious. The teachers of PBIS committee felt as teachers they are trying to catch students up, so they want to have one assembly instead of two. Lacey felt we should do the school sing around with a recording for parents. Ashley felt kids would want parents there. Feedback will be given back to PBIS.

Q and A: Discussed after school tutoring. Mr. Broderick said we are getting good attendance and so far, it is going well. The only issue is the fall session is so short. The way we are entering and having a snack is working well. Ashley said her child really likes the tutoring. We discussed that the Halloween parade and that we collectively thought it went well. Steffany reported we are all updating our Chromebooks that are G5's, which is most of our Chromebooks. Also, we discussed the 4 options of a day when we get snow.

Meeting Adjourned: Motion made by Ellis Rygg and seconded by Steffany Austin.

Next Meeting: All parents are invited to attend Community Council meetings. We will meet December 9, 2021 at 4:00
