

Community Council Minutes

March 8, 2023

Attendees: Ellis Rygg, Valery Keyes, Steffany Austin, and Ms. Koehler, Ashley George

Reviewed Minutes from February

Steffany reviewed the minutes from February. Steffany moved to approve minutes and Ashley seconded.

Principal Information

In kindergarten, we will have 2 full time classes. We have to offer half day so half day students will be in an all-day class for half the day. We also got a small school grant for half a teacher.

Next year we have:

TSSA: \$72,000

Trustlands: \$39,335

ESSR: \$124,000

We have 2 choices for next year, which are no split classes (i.e. grade 3 and 4 in one class) or saving money for social worker time. The community council each shared thoughts and most supported using it for a teacher. All our teachers will be back except two special education units. We considered an interventionist.

Landtrust 2022-23:

We have the option of using or altering our goal from last year.

CIP Plan:

After School Programs: We all discussed this and felt we do not need

Paraprofessionals: Still concerned about hiring.

Paras for Substitutes: We couldn't do that because of district policy.

Coaching Cycles: We have very good coaches that individualize teacher needs. Don't need money for this.

Letrs training: This is over, so we don't need money for this.

Principal Proposal:

Keep same goals, but elevated. Keep money going toward contracted people. The community council supports these ideas, but welcome other community input.

Motion To End Meeting:

Made by Steffany . Seconded by Ashley.

Next Meeting: April 13 . All parents invited to attend
