

## Community Council Minutes

November 17, 2022

Attendees: Ellis Rygg, Ashley George, Lacey Graham, Valery Keyes, Steffany Austin, Ms. Koehler, Kennedy Lower (Not Present)

Reviewed Minutes from October.

### School Safety and Digital Safety:

The school STS is teaching teachers to use Lanschool. Our social worker is also teaching how to monitor selves on computer. Principal talked about lock down last week. Teachers reported helicopters and the school decided to do a soft lock down (lock the outside doors) in the school in an abundance of caution.

### Discuss Inclement Weather:

Ashley George brought the concern about the weather. She proposed raising the temperature to 25 from 20. Ellis wants to leave it how it is. Other parents agreed. We agreed to the 25 temperature. Parents brought up notes about inside day. Principal suggested black board. Safety Patrol could help. Steffany will talk to Mrs. Tapia.

### Positive Behavior Plan:

Soar tickets

Positive Office Referrals

Thunderbucks

Soar Monthly Activity

Principal shared that she prioritized community comradery. Trying to focus on the positive rewards. The school is working on teacher training for positive/negative comments to kids. Ellis asked about the negative behavior plan. Mrs. Koehler shared we have a school behavior plan. We have a chart that tells teachers what to do with what behavior. We also have a chart of who should deal with it. We also have individual plans through the social worker. We talked about restorative justice. We have a program to track behavior called Educator Handbook. We have a PBIS meeting every other week to discuss data. Valery asked about if the Educator Handbook goes on through secondary. Parents asked if they have access to the data. Mrs. Koehler reported parents can see the data.
