- I. Welcome
- II. December meeting minutes approval
 - a. All approved.
- III. Update on copiers
 - a. Waiting for parts to repair the two that are broken.
 - b. New copier info from Purchasing Department: *We are seeing those models show up 10-12 weeks after the PO date (12/20). So I would say somewhere around the first to middle of March.*
 - c. Suggestion: order more copy machines
- IV. LANDTrust plan final report draft
 - a. Review of the draft.
 - b. Preliminary reading data to celebrate – review of the Pathways of Progress percentage of students making typical and above progress report.
- V. Other

Jennifer will let Ben (the custodian) know: Lots of masks on the playground as garbage: routine cleaning suggestion. Class/grades assigned, etc. Collect leftover coats and put by doors after hours. Put coats in the lost and found. Suggestion: safety patrol can collect. PTA: do another Instagram picture posting of items.

News from Wasatch: RISE scores were very low last spring – allocating all we can to support math and reading growth.

Math fact – volunteers willing to help the students. Consider this as a way for parents to help the students.

Full time reading interventionist? (Serve students in the afternoon.)

Reminder: review with allowing students to come in to use the bathroom during recess time.

Summer school – will we have it? More information next time.
