

Upland Terrace Elementary School

School Community Council

Meeting Code of Conduct

Community Council meetings are open to the public. At Upland Terrace we appreciate and encourage the involvement of all community members. However, there is an expectation that community members be respectful towards one another.

These are the expectations if you attend a Community Council meeting at Upland Terrace Elementary School:

- 1) Listen attentively while others are speaking.
- 2) One person talks at a time.
- 3) Allow other community members the chance to listen and participate without disruption.

Fighting, harassment, bullying, or use of profane language will result in the patron being asked to leave the meeting at the discretion of any member of the Community Council.
