Review of Minutes reviewed and seconded

District Community Council Review

PBL & Graduate of Granite Characteristics talked about RISE vs PBL scores. We also discussed the legislature and bills that are up that will affect education.

College Transition Study Most colleges in Utah understand PBL and what it means. This is spreading to colleges across the USA

We watched the video on digital citizenship and discussed what it means for our students.

We saw the final report for our land trust for 21-22 and went through it. In March or April we will go over the plan for next year.

District Community Council meeting 3/14 6pm District Office

DeMarie asked if there were any parents who were willing to read a book for approval.

A question was asked about the committee for Elevate and where we are. They return Friday to give us some feedback. By next meeting we will have more info to share.

Gary motioned to adjourn and Corinna McAllister

Next meeting in March 14th
