

The Taylorville High School  
Community Council invites you to a

# GRADE RECONFIGURATION Q&A MEETING

MONDAY, FEB. 25  
6 P.M.

TAYLORSVILLE  
HIGH SCHOOL  
(5225 S. Redwood Road)

Meeting is open  
to all Taylorville  
Network families

This meeting will provide information about grade reconfiguration (moving 9th graders to the high school and 6th graders to the junior highs), why other networks have chosen to proceed with reconfiguration, and the known pros/cons.

**No decisions have been made regarding grade reconfiguration.** We want parents to be able to ask questions and learn about the process so everyone has the opportunity to be informed and make educated decisions. Hope to see you there!
