Discuss our school grade

- On data gateway
- We are now making typical progress

Reviewed POP scores from beginning to middle

- Vista is doing great and is excelling

Reconfiguration

- Looking at fall 2021
- Schools vision statements have been sent out in an e-mail to all parents
- Surveys will be going out next week with a 3 week window
- SCC will review results

SSAP Report

- Has been approved by the SCC
- Dovetails well with the Land Trust

Utah Philharmonic Orchestra

- Performing on Jan 31st
- Planning on 300 people
- PTA will be planning on providing pizza

Land Trust

- Reviewed the ELA benchmark test
- Post test show great results
- Recognition to teachers and students for their great work!
- The school has been targeting ELL and we have seen improvements
- Funding for PD for teachers: Nay and Wilson working towards tech degree using Nearpod.

- The district has purchased licenses for the whole school for Nearpod and has trained the entire teachers.
- Emily Wright is also going to a conference
- Website is only 50% compliance- Phillips is working to get this updated
- The board decided to wait until the Fall to replace open position
- Grant opportunity for non title 1, non-turn around with high ELL that will help to build in resources
- Future planning: SCC recommends focusing on ½ time teacher, ELLs, perhaps more emphasis in ELA
- Principal Phillips will work on coming up with a plan
- Also recommend, Science, Art and Technology
- Meet the Masters Program- Kids come together in the gym and display one artist and kids create art work similar to the artist. One time cost

FEMA

- Ernesto talked to Donnie, Taylorsville FEMA Emergency Manager, to get him to come talk to the board
- He also learned the District has a point person, the position is not currently filled at this time
- Ernesto presented print materials information
- We will work to get Donnie to come in FEB
- Vista has established a new leadership team that will be also focusing on Emergency Plan

Volunteers NEEDED

- with so many upcoming activities
- SCC recommends increase and reoccurring communication
