Principal Message

"Wild About Learning"

HAPPY HOLIDAYS!

As we enter the holiday season, I want to take the opportunity to thank students, parents and my staff for their dedication and commitment to making Vista a school focused on student growth. Please continue to encourage your children to read every day, have great attendance and follow the "ROAR behavior plan. It truly does make a difference!

Our Student Council students are doing an awesome job keeping our students safe before and after school. However, we still need your assistance as we move into colder weather. To assist you in getting through the lines as quickly as possible, please stay in your car and pull forward as directed by the teachers and safety patrol students. If you do need to park, please use the parking spots at the church across from the school or in the parking lot near the front entrance. Students will continually be reminded to use the crosswalk. Keeping kids safe is our goal.

Julie Wilson, Principal

Virtual Vista Holiday Program

Traditionally we have invited parents to come watch their children sing songs as part of our holiday celebrations. Due to Covid we will not be having our traditional sing-a-round this year. We will record what we have learned and send out a video of it to our parents via Class Dojo on Friday, December 17th. It will also be available on Vista's website. Teachers and PTO are still planning fun activities for the students during the month of December. Treats will be provided by the school and PTO. Thank you for your understanding. Have a very happy holiday season!

Please assist us in making sure students are prepared to go outside for recess. Adequate winter attire would include a coat, warm shoes/boots, hat and gloves. Please contact the school if you are in need of any items.

Open Enrollment

Wednesday, December 1, 2021 marks the opening of the open-enrollment window for the 2022-2023 school year.

PTO is planning fun things for students and their families. Please check out the information on the back of this newsletter.

Please contact the school office at (385-646-5069), if you are interested in volunteering at the school. A volunteer posting is available on the Granite School District website. We also have employment positions available. We look forward to you joining us!

Upcoming Events
