Principal Message

“Reach for the Stars”

The turnout for Grandparent/Special Person Day was a great success. We appreciate you taking the time to have lunch and celebrate the amazing students we have at Vista. Please watch the calendar (schools.graniteschools.org/Vista/calendar) for additional activities and events during the school year such as the Halloween Parade, Veteran’s Day Assembly and Holiday Celebration.

I want to thank you for helping this school year get off to a great start. Many teachers reported 100% participation in SEP Conferences. Your participation in these conferences assures that we are all working towards the same goal. We appreciate your support in providing the best learning opportunities for your children. I am so thankful to be part of such a great community.

We look forward to having volunteers in the school to support our students’ academic learning as well as classroom activities such as field trips this year. If you are interested in volunteering, please contact the office for more information.

Your feedback is important to me. Please feel free to stop by the office to share any concerns or ideas you may have for the school.

Thank You! Julie Wilson

Vista’s parade will be outside on the east side of the building on **Thursday, October 27th**.
