

# Community Council: Olene Walker Elementary

February 16, 2023

2:15 PM

Chair/Note Taker: Sarah Jane Allen

Co-Chair: Sheri Harris

In attendance:

Karly Chavez, Brooke Snell, Maria Tello, Sheri Harris, Laura Carrasco

Agenda Items:

- SCC Booklet handout-handed out the booklet in both Spanish and English
- Show boundary map and discuss safe walking routes-**this will be looked at again after we get our new students. Parents can call with any concerns.**
- LandTrust Plan: We want to hire a staff member with our Landtrust funds. We know the power of people. Our kids benefit most from additional academic support. As our SCC, do you support the purchase of an additional staff member with Landtrust funds? **Community Council approved spending funds on a new staff member.**
- Scams are occurring with our SCC lists and email addresses. Scammers are getting the email addresses off of websites for SCC members and contacting them, posing as the principal, and asking for help purchasing gift cards online, etc. **Karly will NEVER contact you and ask you to purchase anything for her.** This scam happens several times a year, and we have had SCC members lose a considerable amount of money when they respond thinking they are helping the principal out. **It was suggested to also inform the parents in the Family Center to be aware.**
- SEL Goal Update – K-5 survey was given to all students to find out how they feel about school.
- PIE Walk: February 23 at 9:30 am. Please help us spread the word! – 2<sup>nd</sup> PIE walk. **We will try for one more to get our new families here.**

*Any questions?*

It was brought up that students are still crossing the street at unsupervised places. We will post a warning on Facebook and have classroom teachers remind their students.

Next Meeting:
