Minutes

- Trust lands update
 - Moved \$10K in order to cover increasing costs
 - Some money (~\$21K) will be used to purchase chromebooks within the next few weeks. This will help offset potential scenarios in which remote learning is required.
- Continual improvement plan (CIP)

- Most recent RISE scores should be posted soon, but website was down at last check.
- Most recent scores were lower particularly in science and math. This was expected given the difficult 2020-2021 year with COVID.
- Discussion about helping kids request help from teachers, tutors, etc.
- Is there a way we can motivate focusing on math/science without divulging scores that have yet to be released? John can do this.
- Went over the CIP document.
- Watched video about making a plan to utilize trust funds.
- Begin discussion of ideas for 2022-2023
 -
