--Introduction of 2 new members—Diana Leafing and Amelia Moss

--Trust Lands plan update—We discussed the current plan and the associated costs. Discussion of FTE (funding for teachers) and how Trust Lands aids in this. There will be a small adjustment as Wasatch received more FTE than projected. There was a larger rollover from last year as monies (\$20000) to purchase new Chromebooks was taken out of the wrong account. An amendment to the plan will occur in the December SCC meeting.

--School Vision—Started discussing what Wasatch is known for by parents and community. It has been 6 years since Wasatch's vision and mission statements were visited. This is a focus for the staff and community to see if we think we are on the right path and what adjustments are needed.

--District Community Council—Schedule---Council decided to rotate the person who will attend the DCC. Melissa volunteered for the month of Nov.

Next meeting is Dec. 1st @ 6:45am
