

Granite School District

2018-2019 Elementary School Fee Schedule

All fees listed are the maximum allowable amount charged per pupil for each activity.
Actual costs are determined by the local school and may vary.

Elementary Schools may only collect fees, approved by the Board of Education, for activities related to before and after school extracurricular activities. In addition to the fees listed on this fee schedule, the Board authorizes fines for damage caused to district property and for violating rules of conduct. Because administrative penalties do not implicate participation in school sponsored activities, fines are not waivable and do not appear on this schedule.
