

# Community Council 2015-2016

Monday, Oct. 21st, 2015 3:30 in room 5

MINUTES Attending: Alissa Hamblin and Mardel Higginson Because we had no parents attending and we did not have a quorum, we did not do the agenda and postponed it until next month. I decided that I needed to advertise the meeting more with the parents.

Monday, Oct. 19th, 2015 3:30 in room 5

MINUTES Attending: Jennifer Marcus, Tammy Bartlett, Ammie Harlow, Elsa Landa Luna, Dr. Mardel Higginson

- Introduction of new members o Elsa Landa Luna o Ammie Harlow o Jennifer Marcus o Tammy Bartlett is not new, but newly re-elected
- Viewing the Trustlands movie o Touch the Future
- Training of members o Members were reminded of the training at Hunter High School from 6-8 on Tuesday, October 20.
- Title I Slide Show o This item was tabled until next month because of time
- Year End report for 2014-2015 o Each member received a final report for the 2014-2015 year and we reviewed the way our money was spent.
- Goals for 2015-16 as decided last year by committee o Last April, the Community Council identified Language Arts and Science as the Trustlands goals for this year. We also established a tentative budget. That budget was increase a little in the fall, but the money was allocated according the goals already established in the plan.
- SSAP for 2015-2016 o We reviewed a rough draft of the SSAP and worked on the goal setting aspect of the plan. The SSAP goals for this year were in reading and math. Assessment measures were discussed for both areas (see plan).
- Next Meeting: November 16, 3:30 in room 5
- Adjourned at 4:15 pm.

Monday, January 25, 2016 3:30 in room 5

MINUTES Attending: Jennifer Marcus, Ammie Harlow, Mardel Higginson, Alissa Hamblin, Tammy Bartlett

- Called to order: 3:35
- Reading of minutes: Minutes approved unanimously
- Title I Parent Compact Review: Compact approved unanimously

- First Stab at Establishing School Goals
  - o The Community Council unanimously approved using goals of 2% up in reading and 2% up in math. Because the district is probably going to introduce both a new reading program and a new math program, it was decided that we would be best off using our money to provide professional development on these programs, and also provide instructional aides.
- Trustlands budget: We had extra money in Trustland aide category. We don't have enough in the Title I aide category. We decided to move two aides into Trustlands until the money is used up.
- Other:
  - o Community Council brought up the issue of some projects being pulled from the fair because the teacher permission was not obtained. They suggested that some projects could be displayed but not be judged.
  - o Some people were unhappy that partners were mandatory. Students should be able to do project alone.
  - o Emergency Preparedness Buckets were discussed. It was suggested that we use ziplock bags for each student. The school should collect all the buckets for inspection. This could be an Eagle Scout project.
- Adjourned: 4:05 P.M.

Monday, February 22, 2016 3:30 in room 5

MINUTES Attending: Mardel Higginson, Alissa Hamblin, Jennifer Marcus, Elsa Landa-Luna  
Called to order: 3:35 PM

- Reading of minutes: Approved unanimously
- Trustlands Budget Review: Because of potential new reading program, we may need to reapportion some of the funds. This can be done without rewriting the Trustlands Plan because we have many things written into the contingency.
- Other:
  - o Emergency Preparedness Buckets were discussed. It was suggested that we use ziplock bags for each student. The school should collect all the buckets for inspection. This could be an Eagle Scout project. We have collected the current buckets, but they are disgustingly dirty and the item contained within are more than 5 years old.
