

## WESTERN HILLS COMMUNITY COUNCIL AGENDA

November 19, 2018

3:30-4:00 in room 4

Attending: Ammie Harlow, Alissa Hamblin, Mardel Higginson, Angelica Paniagua

Start Time: 3:30 PM

- Trustlands budget review
  - We have spent about  $\frac{1}{4}$  of the budget. This is in line with the first quarter.
- SSAP Review
  - I had a rough draft of the SSAP plan. However, the final form is not yet available. We went over the two goals for reading and math.
- Comments about the Halloween Parade
  - Some felt that the older students didn't get to see all the younger students costume even though they went through everyone's rooms. They want the older grades to switch off and go through first next year.
- Issues from the community
  - Parents complained about car parking in the circle where the preschool drops off. The cars are parking in the circle instead of getting a parking place and that is blocking traffic.
  - Parents also have noticed that some parents are bringing pets onto the playground when they walk their children to school
  - Both of these issues can be addressed in the January newsletter.
- We elected Ammie Harlow as Chairwoman and Socorro as Vice Chairwoman of the Trustlands committee.
- We also discuss PBG. I wanted to hear what parents are saying about PBG.
  - They didn't like that all the standards were lumped into one grade.
  - They also didn't like the averaging of the grades.
  - They don't really understand the decaying averaging.
- No Community Council in December unless there is a pressing matter from the district.

Adjourned 4:00 PM
