FOOD BANK

The food bank will be Friday, January 18th from 1:00-2:00. It will probably be held in the cafeteria because we use the gym for PE.

The Food Bank has restricted the food to one per family so there will be enough for everyone. The oldest child in each family gets a pink card (not all the children). If your child did not get a card for your family, please come into the office and we will make sure you get a card. If your child does not want the food, please turn in the card to the secretary or principal so it will be available for the next month.

This has been a popular program at the school.

First Semester Report Cards

The first semester ends on Friday, January 11th. Teachers will finalize the report cards on SNAD (Student Non-Attendance Day) on Friday, January 11th. Teachers work, but students do not attend. Report cards will be distributed on Friday, January 18th.

Fourth Grade Goes Skiing!

The fourth grade will participate in Ski Utah on Thursday, January 17th. This is a great opportunity for fourth graders and it leads up to the 5th grade free skiing pass that is given to all 5th graders. For many students this is their chance of a lifetime to learn skiing. They are rented equipment, given lessons, and given a bus ride into the mountings. Mrs. Brionez and Mrs. Black have been good to organize this activity.

Most students really enjoy their day in the mountains and learning skiing. When they come back, they use their experience to learn to write an essay about their ski experience. The experience is such a lasting memory that they all have something to say about the day skiing.

We hope that our third graders will get ready to take advantage of this great opportunity next year.

STUDENTS NEED WARM CLOTHES FOR JANUARY

Please remember that we send all our students out for recess. This helps get the wiggles out so they can learn. Please check to make sure your child goes out the door with a coat, mittens, hat, and boots. Also, we are having some students arrive at school at 7:30. They are not supervised so early, plus they must stay outside until breakfast opens at 8:00. If your child arrives this early, they may get extra cold.
