WELCOME to 2022!!!

We hope that you had a wonderful, safe, and healthy break!

THANK YOU!

Thank you for your efforts to have students stay home when they are sick! However, if they are not sick, we ask that you PLEASE send them to school! Every day is important to student learning! We are all a team in helping students grow!

SAFETY PATROL

Thanks to Mrs. Litster and our amazing Safety Patrol for all their hard work in keeping students safe before and after school!

SNACK PACKS/ WEEKEND KITS

We still have food items for students and families to pick up anytime they would like. Just have your child contact the office if you are interested.

DRESS WARM!

Just a friendly reminder that January is COLD! We know students need fresh air, so unless the weather is very bad, we will be sending them out for recess. Please have your children dress for the weather. Contact the office if you need coats, gloves, or hats.
