Meeting Reflection Questions

Item	Yes	Somewhat	No
Did we track whether we're completing action items from previous meetings?			
Are the completed tasks having the desired effects on team functioning, instruction, and student achievement?			
Did we follow the meeting norms?			
Did all members participate productively by offering strategies, resources, and ideas while prioritizing simple and impactful actions?			

Are committed actions deliberate in ensuring that students receive the interventions? *Verbal advocacy does not equal implementation.			
What did we do exceptionally well?			
How will we improve ratings of somewhat or no?
