Review and approve minutes from February meeting

-Minutes were approved unanimously

Sign Trust Lands Funds Plan

-Plan focus was discussed by Community Council.

-Signatures were obtained

Notifying representatives

-Dan Rubio (Chair) has sent out information to representatives of West Kearns Elementary.

-We are changing how we review minutes so that we can send them out at the end of each meeting to all stakeholders.

Meeting Population Analysis Committee

-A meeting was held by the district, but the information was not as informative as the Community Council members would have wished.

-Specific questions about characteristics of schools being closed were asked, but answers from the Committee felt as if they lacked in depth.

-They did mention that they are considering re-opening Brockbank Jr. High School.

District Community Council recap

-There was a lot of conversation at the meeting regarding selection and deselection of library books.

-If there is a book that parents don't agree with, there is a process for evaluating our books through the district.

Schedules for SCC Meetings

-There is interest in holding the SCC earlier in the day, but because we need a teacher present, this position flexibility is something that Mr. Choffin will look into with district office.

-At Café con Flor, about 13-15 parents said they wanted to be interested, but timing would need to be considered.

-In May, it was suggested that we try out a morning meeting at the start of school, to see what type of turn out would be seen.
