

IMPORTANT OCTOBER INFORMATION...

It's starting to get cold outside, especially in the mornings. Please send your child with a jacket to keep them warm at the beginning of the day.

We WILL do a Halloween Parade this year! Because of COVID, we will have the Parade Route go outside for parents to watch. If there is inclement weather, we will have assigned spots in the building for parents to go to according to grade level of your students. More information coming as it gets closer.

We are "thrilled" to continue our long-standing tradition here at Whittier with the 6th Grade Performance/Dance of Thriller. ALL 6th Grade parents are invited to the gym following the Parade on Oct. 29 to watch your children perform that day.

haunting time!

We cannot thank those of you enough for attending SEP Conferences. Conferences are such a great opportunity for you to connect with your child's teacher to celebrate the accomplishments and successes each child is having in the classroom. Parental involvement is truly a game-changer when it comes to a child's educational experience. We value all of you incredible parents and love sharing this education journey together with you and your kids! Thank You!! **"Behind every child who believes in himself is a parent who believed first."**
