

It's the most Wonderful Time of the Year! Not because of the gifts or the twinkling lights, but because this is the time of year we each are a little more kind, a little more thoughtful and a bit more generous. May we take the time to show kindness to each other. Here at Whittier, we focus on Being KIND! Thank you for sending kind kids to school every day.

It truly makes such a difference.
Let's always Celebrate KIND!

**HO HO
HO!**

We are hiring LOTS of classroom aides! We need several in our Special Education classes, a kindergarten aide, and a resource aide. If you are interested, please contact Mrs. Bodell or go the employment section at Granite School District. It's the perfect job for those who like the same hours as students!

Please make sure to join our Whittier Facebook and Instagram Pages. There are things posted regularly. Also, if you haven't looked on our Whittier STEAM website, take a look! It's improving all the time. You can also find our Whittier Weekly Broadcast with up-to-date happenings and inside the classroom learning.
