

January 2022 Whittier Newsletter

Happy New Year!

This is my favorite part of the entire school year! All the big holidays are over, students and teachers know each other well, and the focus can be on LEARNING! Please know how important your student is to us! Our goal is every child is successful in their academics and also socially. We are committed to this as we support all students in their growth and achievement on grade level and beyond. Thank you for trusting your kids with us!

They each bring a smile and joy to my face every single day! Mrs. Bodell, Whittier Principal
