

Whittier Parents,

HAPPY FEBRUARY!

The month we celebrate 2/2/22 and TUES-day 2/22/22!!! Does it get any better than that? I just want to thank you and your incredible students for being so flexible and amazing through the past few weeks with Distance Learning, mask mandates then no mandates, absences, and additional student days off. You truly have been so willing to go with whatever comes your way. Your kids are amazing, resilient, and incredible.

The Whittier Community really does know how to SOAR! THANK YOU!!!
