Principal's Message

I want to let our Whittier Students know how proud we are for all the incredible effort we've seen as students have accomplished the first Quarterly Academic Challenge of the year! The energy has been felt and students have conquered many of their Math Facts! Our celebration for students who accomplished their goal will be Nov. 18th

"I think it's the books that you read when you're young that live with you forever." —

J.K. Rowling

"Reading is the gateway for children that makes all other learning possible." —

Barack Obama

QUARTER 2 ACADEMIC CHALLENGE

This quarter, we are focused on Reading! To accomplish this Challenge, students need to read 1,000 pages and mark it on a Reading Chart they will be given. Teachers will share more with your child. Let's Do it!!
