

## PRINCIPAL MESSAGE...

I cannot be more pleased with how our students achieved the 1<sup>st</sup> Quarter Academic Challenge by learning their Math Facts! It was pretty magical being in the school watching every student working so hard on this. The Glow Dance Party was quite the celebration! We are well on our way to achieving our 2<sup>nd</sup> Quarter Academic Goal- our 1,000 page Reading Challenge! Students have been asked to read 1,000 pages at school. They are keeping track of their progress and it looks so good!! Each student who achieves this will be invited on a VERY SPECIAL FIELD TRIP to the MOVIE THEATER at the end of January. We are also working as a school to read 1 Million Pages! For the million pages, students can count pages read at home. Ask your student's teacher for more information. We've got this!
