Principal's Report (10 mins):

Rise and Shine: Amanda thought it was great and informational. Jen asked if it was too much and the council said no and that the graphs and information was good to know. Council thought it should be a keeper.

3rd Grade Math Nigh: Lisa reported that it was great and it allowed the parents to see how their child's goals and how they are doing and how the class is doing. Parents were given supplies to play games that they played at the activity at home. The activity was held at 4 PM after surveying the parents about when a good time would be.

Whittier STEAM Elementary

Principal Bodell would like each grade to hold one Math and ELA night every year, like the 3rd grade Math night so that parents can be aware of how their child is doing and how the class is doing.

Upcoming events:

Steam Night, April 27th

May 11 @ 7PM, Hunter Network Family Event: Food Trucks, Free Hot Dogs, Games, etc. Each school will provide an activity
