## Community Council Minutes

Present: Joey Carlson, Kristin Covili, Sheri Harris, Taylor Layton, Andrea Arcos, Christine Christensen, Ana Garcia (chair), Angie Marchant, Jennifer Limb,

Absent: Emily Lantz

1. Review Minutes from last meeting
  - a. Reviewed them. Some people hopefully can go to the Community Council District Meeting, March 14<sup>th</sup>.
2. Review Staffing Plans
  - a. Look at our scenario for staffing
    - i. Reviewed the staffing plan, class sizes and teachers per grade, as well as additional staff and coaching.
    - ii. Need for an additional “specials” teacher – STEM teacher, math, science, engineering activities. Complements art, PE, and Beverly Taylor Sorenson (music)
    - iii. Increase overall of ~100 students
3. Summarize progress and needs
  - a. Science needs. Low scores last year, adoption of a new curriculum by board to give everyone help with materials.
  - b. Writing across grades.
  - c. Still need attendance to improve.
    - i. Discussed why: part illness, part weather/transport, part sense of belonging.
  - d. Continue our talent development goal – improving PLC
  - e. Continuing our academic goals – either maintain the goals or improve depending on end of year results.
  - f. **SCC INPUT**: more social skills. Communication in general can improve. Parent getting information from the school.
    - i. Calendar coming out late. March calendar came out a few days into March. Maybe try to get that a week before?
    - ii. People like Joey’s texts: Remind with text messages.
    - iii. Continue Class Dojo and Stuff and Communication two ways.
