

11 6 2023 Wilson Community Council Notes

1. Present : Candice Cronin, Angie Marchant, Taylor Layton, Kristine Davies, Christine Christensen, Marwa Najjar, Andrea Arcos
2. Absent: Jolie Zawad, Emily Lantz, Yuritzel Arellanes Silva
3. Candice Cronin called the meeting to order
4. Safe Technology Use – digital citizenship station at February Conferences
 - a. Going to do a presentation in February conferences.
 - b. Reviewed the devices we use, the programs that are used. Supervision process – LAN School and filters. Rules for inappropriate information Phones and watches – day care and mostly not a problem Provide training and provide input.
5. Review Panorama Data
 - a. Strong positive relationships. Need to leverage those towards improving self-efficacy, challenging feelings, positive feelings, and self-management.
 - b. New crop of students, so can't compare exactly to last year. Two more data points.
 - c. Important that other parents know this. How can we share it?
 - i. Start with celebration about adults supporting us. Then, Blurb about self-efficacy. Here's our focus. Here's how you can help it.
6. Monster Math Night Feedback
 - a. Kids were excited and wanted to go. Let's continue it! Kids like coming in costume.
 - b. South Salt Lake did not come, but city did come.
7. Check on safe walking routes
 - a. New website coming. Going to have to re-build some safe walking routes. 3 places where city provides crossing guards.
Christi will have to update the website.
8. Check on bus routes
 - a. Collapsed two busses – they have been coming on time more. 4 fuller busses now
9. Veterans day program
 - a. Tomorrow, 11/7, at 10:00 AM.
 - b. Munch and Mingle at 9:15 – then invite to Veterans Day.
10. Review attendance data
 - a. August and September – exceeded our goal of 90%.
 - b. October – 89.95% average daily attendance. Didn't quite hit the goal.
 - c. Still have chronic absent problems. Lots of students missing more than 10%.
 - i. Have strategies for the absent ones – attendance committee & letters home
 - ii. Home visits help a lot. Competitions between classes can motivate.
11. Share BOY testing data
 - a. Reviewed some of the data. Didn't have graphs with exact data, but described process and school goals. And MOY and EOY testing to come
12. Turnaround data ready
 - a. School data gateway has our [report card](#)
13. Angie Marchant moves that we adjourn. Taylor Layton Second.
