

Woodstock Elementary School Community Council
Meeting Minutes
September 13, 2021

Meeting Convened-3:15 PM

In attendance: Brenda Byrnes, Kristen Evans, Lisa Hamman, Gina Winegar, via Zoom Matt Fields

Absent: Colin Williamson

1. 2021-2022 Community Council
 - a. Candidacy Declarations: no new ones have been received.
 - b. The website has been updated letting community members know of vacancies
 - c. Need at least one more parent/guardian on the council.
 - d. Council members to reach out to anyone they think may be interested in participating

2. Woodstock video-watched the video Ms Byrnes helped to put together promoting Woodstock.

3. Review Plan
 - a. Reading: measuring growth; goal is to have 70% of students reach typical & atypical growth.
 - i. Introducing a 'power hour' for reading for students to work with literary coach, focusing on intervention
 - b. ML (multilingual students): goal is to improve speaking.
 - i. Reading and writing scores are good, but focusing on speaking skills
 - ii. Hired paras that are more familiar with the program and testing process
 - c. Reviewed Rise scores and Acadience scores. Once finalized by the district the scores will be posted on the website.
 - d. Introducing a new math program. Materials are currently stuck in Texas, but hope to have the program implemented soon. The program will screen students summarizing data to help design a targeted intervention program for math.

4. School Fundraiser
 - a. We don't feel like it would make sense to do the Woodstock Dash fundraiser with current Covid restrictions
 - b. Due to the pandemic, the school is currently holding excess funds since we weren't able to do so many of the usual activities (i.e. assemblies, etc)
 - c. Ms Byrnes asked the council their thoughts on skipping the fundraiser this year. She didn't love the idea of asking for money when currently there is a surplus in the account such as we did last year "Woodstock Cash". The council would like to see a fundraiser still take place. Ideas were thrown around to have a walkathon, but at home, incorporate math like we do for the readathon, etc.
 - d. Conclusion was Ms Byrnes would send out a survey to parents/guardians asking how people felt about still holding a fundraiser.

5. Meeting Schedule

- a. 2nd Monday of each month at 3:15 in the conference room outside the principal's office

6. Meeting Adjourned @ 3:40
