- **Budget -Kristie**
- **Review the safe walking route - Kristie**
- **Review safe technology and digital citizenship information – Jamey & Council**
- **Discuss Student of the Month criteria and implementation – Council & PTA President Hillari Langford**

Present: Charlene Johnson, Jen Tingey, Jamey Pease, Kimi Bayles, Kristi Reather, Cathy Noble, Hillari Langford

Absent: Patricia Sargeant

Call to Order: Jen Tingey

Budget, same as last time, haven't used much of trust fund. Paid for typing club and MClass. Have money to pay for new paras, also paying for a teacher's salary and benefits through funds. Have hired a couple paras, waiting for paperwork.

Safe Walking Route: Walking route is the same. GW is supposed to be a walking school. A lot drive as weather turns. Route is on the website.

Is staggered bell working at end of day? Seems like people are mostly leaving all at the same time, but more spread out. Kristie has put cones to block faculty parking lot now to stop parents picking up in lot for safety reasons.

Student of the Month: Let's put off until next year. One more thing is just too much for teachers right now.

PTA will bring something monthly for teachers as a boost.

Maturation Program online? Instead of having a live maturation, would be video based – one for boys, one for girls. Not sure where money would come from for this option or if it's worth the cost. Typically held in May.

3rd Quarter links for parents to select learning modality, sent Nov. 30 due Dec. 11.

Sound system is coming, was ordered in Oct. New Think Pads were delivered for teachers.

Next meeting January 22. 10 a.m., online.

Jen Tingey motioned to conclude, Charlene seconded.
