### **Budget:**

- Land Trust for 2021-22, \$77109.92. Lesser amount because numbers are down from this year's amount. Trying to carry over some TSSA \$ to pay for a teacher for next year.
- The state is giving districts one-time \$ for next year. Teacher salary ½ time, money using for tutoring for before & after school. Can't carry over more than 10%.
- Next year will be a hard transition because enrollment has gone down. FTE number for enrollment will be coming March 3 – faculty will be meeting March 4. March 5 meet as community council, meet at 2 to discuss.

### **Misc:**

- 8 students come in an hour before and after school for tutoring.
- PTA: Great ideas for Digital Literacy Week & Teacher Appreciation. Vote is for a PJ day. Video that Ben Horsley has done, 1 take-home activity bag. Jamey announces something every day. Going to do some participation awards. Cyprus Learning Network is giving us 2 button makers, but no materials.
- Field day: Keep classes together and still do it!
