

# School Reopening Plans Template

Name of School

YESS

Each School in Granite School District is required to develop local plans for reopening school for in-person instruction in the fall of 2020. In this document, principals, should provide assurance that they have met the specific requirements from the district in their planning process. This document can be used in conjunction with the USBE School Reopening Handbook, which provides recommended considerations to guide planning and additional details. The requirements contained in this template are subject to change and will be updated accordingly.

This School Reopening Plans Template is required to be submitted to your School Leadership and Improvement Director by August 3, 2020. Principals should include their Leadership Teams and Building Committees in developing these plans and make sure that their Community Council gets a chance to review them and give input and feedback.

Mitigation Tactics for Specific School Settings

LEA Mitigation Strategies for Specific School Settings

Analyze each of the following settings to determine the appropriate risk mitigation strategies to implement. Please consider the 7 Characteristics of a Situation as you plan your mitigation strategies.

Setting	Mitigation Strategies
Classrooms	All students and staff will be asked to wear PPE and social distance where appropriate and if space is available
Transitions	Students will enter classrooms in a “first-in, last-out” strategy.  Respective facility and YESS staff will share responsibility in providing sanitation supplies and safety equipment that is consistent with facility safety policies.
